Bag-kit
Carl-Oskar and Rebel

Bag-kit for Carl-Oskar and Rebel

The bag-kit for Carl-Oskar and Rebel offers optimal storage for your daily shopping. With a small bag to put on the seat and a big bag for the hard basket they offer more space and a safer way to carry home the groceries. They are both easy to attach and remove.

Features – Small Bag

- **Secure internal pocket for storage of wallets and telephones.**
- **Easily attaches with velcro straps to the rollator frame.**
- **When not in use, the small bag conveniently folds flat for storage in the larger bag. (image 1)**

Features – Big Bag

- **Offers optimal storage. With a weight capacity of 10 kg/22lbs it can store your daily shopping.**
- **The bag securely fits in the basket, making it a very stable place for your shopping.**
- **The bag cover bends over the basket handle for easy access. (image 2)**
